

DATA PROCESSING AGREEMENT

SweetLease Data Protection Terms

Effective Date: _____ Document Version: 1.0

1. PARTIES & SCOPE

This Data Processing Agreement ("DPA") is entered into between SweetLease, Inc. ("Processor") and the organization providing personal data ("Controller") to establish the terms under which SweetLease processes personal data on behalf of the Controller in connection with housing placement services.

2. DATA PROCESSED

Categories of personal data processed include: employee/resident names and contact information, employment or enrollment verification data, housing preferences and requirements, financial information necessary for lease qualification, and communication records related to housing placement. SweetLease does not process sensitive categories of data (health, biometric, racial/ethnic origin) unless explicitly required and authorized.

3. PROCESSING OBLIGATIONS

SweetLease shall: process personal data only on documented instructions from the Controller, ensure personnel authorized to process data are bound by confidentiality obligations, implement appropriate technical and organizational security measures, assist the Controller in responding to data subject requests, delete or return all personal data upon termination of services (at Controller's election), and make available all information necessary to demonstrate compliance.

4. SUB-PROCESSORS

SweetLease maintains a list of approved sub-processors and will notify the Controller of any intended additions or changes. Current sub-processors include: cloud infrastructure provider (DigitalOcean), email delivery service (Resend), and payment processing (Stripe). Controller may object to new sub-processors within 14 days of notification.

5. DATA SECURITY

SweetLease implements and maintains security measures including: encryption at rest (AES-256) and in transit (TLS 1.3), access controls with role-based permissions and MFA, regular security assessments and penetration testing, automated monitoring and alerting for security events, and documented incident response procedures.

6. BREACH NOTIFICATION

SweetLease will notify the Controller without undue delay (and in no event later than 72 hours) after becoming

aware of a personal data breach. Notification will include: the nature of the breach, categories and approximate number of data subjects affected, likely consequences, and measures taken or proposed to address the breach.

7. DATA RETENTION & DELETION

Personal data is retained only for the duration necessary to fulfill the housing placement services. Upon termination of the service agreement or upon Controller request, SweetLease will securely delete all personal data within 30 days, unless retention is required by law.
