

INSTITUTIONAL PARTNERSHIP AGREEMENT

SweetLease University & Residency Programs

Effective Date: _____ Document Version: 1.0

1. PARTIES & PURPOSE

This Institutional Partnership Agreement ("Agreement") is entered into between SweetLease, Inc. ("SweetLease") and the educational institution or residency program ("Institution") for the purpose of providing housing placement services to incoming students, residents, or fellows.

2. SERVICES PROVIDED

SweetLease will provide the following services at no cost to the Institution: housing search and placement for incoming cohorts, lease negotiation securing rates 15-25% below market average, furnished and unfurnished options from pre-screened landlord network, proximity matching to clinical sites, hospitals, and campus, branded housing portal for the Institution's program, and ongoing tenant support throughout lease terms.

3. PRICING

All SweetLease services are provided at zero cost to the Institution and to residents/students. SweetLease earns revenue through landlord commissions only. No fees, subscriptions, or charges apply to the Institution or its students at any time.

4. INSTITUTION RESPONSIBILITIES

Institution agrees to: share incoming cohort contact information (with participant consent), designate a program coordinator as primary point of contact, include SweetLease materials in orientation or onboarding communications, and provide feedback on housing needs specific to the program's participant population.

5. BRANDED HOUSING PORTAL

SweetLease will create a co-branded housing portal page for the Institution's program, featuring: Institution logo and program name, curated listings near program sites, direct access to SweetLease placement team, and program-specific housing guides and resources.

6. TERM & TERMINATION

This Agreement is effective upon execution and continues for an initial term aligned with the Institution's academic or program year, automatically renewing unless terminated by either party with 60 days written notice. No penalties apply for termination.
